PROFILE SUMMARY

Energetic and detail-oriented MERN Stack Developer proficient in HTML, CSS, JavaScript, and Bootstrap. Skilled in developing modern web applications using React.js, Node.js, Express.js, and MongoDB, with knowledge of MySQL. Dedicated to continuous learning and effective problem-solving, eager to contribute to a dynamic development team.

PROJECT

Project - 1

Task Management Application

MongoDB, Express.js, React.js, Node.js, CSS, Bootstrap.

- User Authentication: Secure user registration and login using JWT for session management.
- Task Management: Create, read, update, and delete tasks with status tracking.
- Responsive Design: Fully responsive and mobile-friendly interface using CSS and Bootstrap.
- RESTful APIs: Seamless communication between frontend and backend via RESTful APIs.

Project - 2

E-commerce Application

MongoDB, Express.js, React.js, Node.js, CSS, Bootstrap.

- User Authentication and Security: Implemented secure user authentication using JWT and bcrypt for encrypted password storage and safe session handling.
- Product and Order Management: Developed an admin panel to manage product listings and orders, including adding, updating, deleting products, and tracking orders.
- Responsive and Interactive UI: Built a responsive user interface with React.js, React Router DOM, and Bootstrap for a seamless shopping experience across devices.
- Email Notifications and Alerts: Integrated nodemailer and React Toastify for automated email notifications and real-time alerts to users.

EXPERIENCE

Jeeva Rakshai Mental Health Wellness Center

Residential Social Worker(2022 – 2023)

- Educated residents and their families regarding Addiction and Psychotic disorder
